Event Instructions

- Please advise riders not to ride their bikes in the parking lot or around the chalet area. We have to be aware of the general public at this location.
- Report any injured riders immediately to on course marshals or finish line crew.
- The course is open to the general public and riders must watch for pedestrians at all times.
- MG, JG and SG will have different colour flagging tape on their seat post to differentiate between the different categories.
- Washroom facilities will be available at the chalet
- For the safety of all park users, please do not ride bikes around the chalet and playground

Course notes: Each lap is 900m long with 7 meters of elevation gain. The start will be at the cabins, and the finish will be at the top of the "hill" again. There is no race around the barrier option. It will be located away from the infield area and spectators. There is a single dismount near the top of the "hill" around the start/finish line.
