

2022 SSSAA Catholic Volleyball

Rules

1. Each set is a rally point to 25. **Must win by 2 points and the cap is at 27**
2. Both feet must be behind the serving line. A tossed ball on a serve may not be caught or allowed to drop. The student must serve the ball on the first attempt.
3. The ball hit cleanly by any part of the body is a legal hit.
4. Five serves in a row is the maximum, and then the team must rotate.
5. A yellow card will result in a point to the opposing team and the serve will also go to that team.
6. The player must rotate into the center back position.
7. If a team does not get first serve, they must rotate when the serve comes to them.
8. 1 time-out per set (only playoffs).
9. Only net contact along the top tape of the net will be called. Incidental contact will not be called, unless it interferes with the other team.
10. Foot must be entirely over the center line to be called.
11. A serve that hits the net and continues over is a legal serve.
12. With respect to courtesy, the following are in place:
 - The serving team must be stationary once the whistle for serve has occurred.
 - Players in the front row of the serving team should have their hands no higher than shoulder height and should be a reasonable distance apart so as to not impede the receiving teams' view.
13. The coach/team must have a **minimum of twelve players unless you have informed the convener.**
14. All uninjured players must be rotated equally into every game. Failure to do so forfeits the game.
15. **A serve may not be blocked or spiked at the net.**
16. A call will be made if a backcourt player takes off in front of the attack line, and plays the ball above the height of the net. **This is called a back-row attack violation.**

Non-tournament Inter School Games

Coaches are to schedule games against other schools to go along with tournament play for more practice. Games will take place at school sites after school hours and can be scheduled between **November 7th and November 21st**. Please schedule accordingly.

Matches will be best 2 out of 3. The teams will flip or rock/paper/scissors to get the choice of serving first in game one or receiving. Other team then gets to choose a side. OVA rules will apply. You must **win by 2 points with a final cap being 27**. If the match goes to three games rock/paper/scissors will decide who serves first. The third game **will be up to 15 points, with a cap of 17 points**.

I encourage you to play 3 sets regardless!

There are **No** time limits for these games.

Please email Joe Curciarello if you have any questions at jcurciarello@tbcschools.ca
